## WATCH us Transform Lives

WATCH Disability Services Inc is a for purpose community organisation located in the south-eastern suburbs of Melbourne. WATCH provides learning and support services from its Mulgrave and Springvale sites.

WATCH services are available to people over the age of 18 whose primary disability is intellectual, who are registered with the NDIS, and meet WATCH's entry requirements.

## Opportunities

WATCH offers a diverse range of services including learning independent living skills, other life skills, sensory activities, leisure, and recreation activities. Services are available during the week, after hours and on weekends.

At WATCH we will work with participants and their support network to determine a customised plan to achieve NDIS Goals and meet the needs, interests, and hobbies of individuals through some or all of the following areas:

- Participation & Engagement in Community.
- Improving Communication Skills.
- Exploring Creativity through Music, Arts and Crafts.
- Exercising through Leisure & Recreation.
- Learning skills for Independent Living through Travel Training, Cooking, Budgeting & Gardening Activities.
- Exploring Sensory Activities & Interests.
- Improving Social Skills.
- Vocational Learning.

## Funding

Participants are required to be registered with the NDIS and be in receipt of a funded NDIS Plan or be able to privately pay for staff support to attend WATCH. The NDIS covers the cost of direct and indirect staff support.

## Fees

Participants are charged an out of pocket fee to help cover WATCH's operating costs that the NDIS does not cover. There will be extra costs associated with specific activities e.g., cooking, craft, and leisure activities and if activity-based transport is used.
